Dear Mr Durkan,

Thank you for your opinion on the proposal for a Commission's Green Paper – "Adapting to climate change in Europe – options for EU action" {COM(2007)354}.

In line with the Commission's decision to encourage national parliament to react to its proposals to improve the process of policy formulation, we welcome this opportunity to respond to your comments. I enclose the Commission's response. I hope you will find these a valuable contribution to your own deliberations.

I look forward to developing our policy dialogue further in the future.

Yours sincerely
